

SPONSORSHIP

**37TH ANNUAL HAZARDOUS MATERIALS
MANAGEMENT CONFERENCE**

LUMINARY HOTEL, FORT MYERS, FL

JULY 17-22, 2022

The 37th annual Hazardous Materials Management Conference will return to Florida and promises to be a great week of cutting-edge information, best practices, and the latest in the world of HHW management practices.

A lot has changed with the world of HHW and SQG, but education and outreach, collection and take-back programs, and groundbreaking policy continue to emerge among the challenges we've all faced during pandemic operations. We're excited to hear from HHW professionals from around the country on what's new, what's working, and what's needed in the world of hazardous waste.

NAHMMA is so excited to welcome folks back to in-person networking, gathering, and plain old fun. We've missed you!

WHO'S GOING TO BE THERE?

Folks like yourself in the HHW industry including: city, county, state and federal government officials; environmental consulting firms and non-profit organizations; waste management, recycling industries and manufacturing; educators and educational institutions; and the NAHMMA membership drawing from 11 chapters nationwide!

WHY SPONSOR OUR EVENT?

Sponsors will be identified through the NAHMMA website, event app, and social media channels; and given the opportunity to share information about services during the program. We invite you to join us for the conference activities and especially encourage your participation at our Vendor Reception and networking event.

- » Premium brand exposure and company engagement with an important sub-set of the industry
- » Build relationships with buyers, leaders and decision makers
- » Share your experience and expertise with a direct target audience
- » Support NAHMMA on a national level

WE'RE MAKING THE MOST OUT OF YOUR TIME

At previous in-person conferences, NAHMMA has noticed and received feedback from exhibitors and sponsors, that there is limited interaction with conference attendees during the conference breaks. As we return to in-person events, we are trying something new to encourage the participants to migrate and stay in the Exhibit Hall during the breaks and luncheons.

At the end of each break or lunch we will pull a ticket to give away a door prize. The winner has to be present to win. This year we will kindly request the Sponsors/Exhibitors to donate a small item with a value of \$50 or more for the door prizes. We will announce who donated the items and display them at the beginning of the conference. We hope that this will be an added value to your sponsorship by increased recognition and advertisement during the conference.

Lastly, we hope to keep conference attendees engaged throughout the conference and encourage individuals to engage with the sponsors/Exhibitors. Thank you for your consideration and continued support of the NHAMMA National Conference.

EXHIBITOR LOGISTICS

DRAYAGE

If you do not self-deliver; ship your exhibit display booth and boxes to either the hotel or Caloosa Sound Convention Center. Please see notes below. Please do not have your packages delivered more than 3 days before the event start date.
